## iPhone 13 won't support satellite communications: Analysts

San Francisco,

A recent report claimed that the upcoming iPhone 13 models will feature low earth orbit (LEO) satellite communication connectivity to allow users to make calls and send messages in areas without cellular coverage. However, now some mobile analysts and communication experts have denied this speculation. The upcoming custom chip for iPhone 13 which is expected to be able to connect with satellites could not be able to do so, reports AppleInsider. According to PCMag analyst Sascha Segan, the new Qualcomm chip, made in partnership with satellite company Globalstar, does not mean that the next iPhone will be able to communicate with satellites. The chip will be able to take advantage of satellite bands that were previously assigned to satellite service. "Qualcomm's x65 modem supports b53/n53 but the x60 does not.

## Business Brief III

### No revision in petrol, diesel prices on Thursday

New Delhi,

The oil marketing companies (OMCs) have kept pump prices of auto fuels petrol and diesel unchanged on Thursday, a day after reducing them by 15 paise per litre.

Accordingly, the price of petrol and diesel remains unchanged at Rs 101.34 and Rs 88.77 per litre in Delhi, as per Indian Oil Corporation, the country's largest fuel retailer. In Mumbai, the petrol price is stable at Rs 107.39 per litre on Thursday

while diesel rates also remain unchanged at Rs 96.33 a litre. Across the country as well the petrol and diesel prices remained static on Thursday but their retail rates varied depending on the level of local

taxes in a particular state. Under the pricing formula adopted by oil companies, rates of petrol and diesel are to be reviewed and revised by them on a daily basis. The new prices become effective from morning at 6 a.m. The daily review and revision of prices is based on the average price of benchmark fuel in the international market in the preceding 15-days, and foreign exchange rates. Fuel consumers can expect the prices to remain unchanged or get some relief by way of a cut in days ahead as global oil is expected to remain soft. Oil cartel OPEC and its allies have agreed to gradually raise production levels that should prevent upward price movement. The concerns on demand due to the pandemic is also affecting oil prices.

### Madras HC keeps bumper-to-bumper insurance order in abeyance

Chennai,

The Madras High Court on a representation of the non-life insurance sector body, the General Insurance Council, has kept its earlier order in abeyance on the compulsory bumper-to-bumper insurance cover for five years for all new cars and two wheelers.

Last month, the Madras High Court by an order made the costly bumper-to-bumper insurance cover compulsory for all new private cars sold from September 1, 2021.

The General Insurance Council in its representation while saying that non-life insurers are prepared to comply with the court's order also pointed out that they are merely distributors of the products approved by sectoral regulator Insurance Regulatory and Development Authority of India (IRDAI). The Council also requested the court for 90 days' time to effect changes in their computer systems after due approval for IRDAI. The court on its part on Wednesday ordered, Council and IRDAI as necessary parties to this case, in addition to making the Additional Chief Secretary, Transport Department, Chennai and the Joint Transport Commissioner (R), Chennai as Respondents.

### Kumar Mangalam Birla meets Telecom Minister amid talks of relief for telcos

New Delhi,

Nearly a month after quitting as the Chairman of Vodafone Idea, Kumar Mangalam Birla has met Union Minister for Communications Ashwini Vaishnav.

The meet comes at a time when the government is in talks to come up with some relief measures for the stressed telecom sector as a whole.

On August 4, the board of Vodafone Idea accepted the request of Birla to step down as the Non-Executive Director and Non-Executive Chairman of the Board. Days before Birla's resignation as the Chair-

man, it became public that he had written to the Cabinet Secretary that he is willing to hand over his stake in the debt-ridden company to government entities in a bid to keep the company operational.

### Govt may not need special borrowing window for GST compensation to states

New Delhi,

The government may not need to open special borrowing window to meet GST compensation needs of states in the current financial year as rising indirect tax collections on economic recovery has given confidence that the Centre may meet its tax liability through estimated buffers in its finances.

The Centre has estimated GST compensation shortfall to states at Rs 1.59 lakh crore for FY22. Out of this, Rs 75,000 crore has already been released as first instalment through regular central borrowings.

"With GST revenue holding up over Rs 1 lakh crore mark, the collections would now need to be Rs 1.18 lakh crore in the balance months of FY22. This is likely with expectation that overall GST collection may be higher than estimated Rs 14.1 lakh crore. This would provide enough room to the government to meet compensation meters of states through its regular borrowing channel," said an official not willing to be named.

### Reliance Naval lenders staring at around 95% haircut

Mumbai,

The lenders of Reliance Naval and Engineering Ltd. (RNEL) are staring at a haircut of around 95 per cent, as all the three bidders have submitted exorbitantly low bids for the company.

At a Committee of Creditors (COC) meeting held Wednesday, all the three bids were valued by the two independent valuers and presented to the COC. The independent valuers have found all the bids legally compliant with the NCLT norms. Three companies i.e. Hazel Mercantile of Veritas Group, JSPL of Naveen Jindal Group, and a consortium of GMS - Dubai and Besiktas Shipyard - Turkey have submitted bids for Reliance Naval. According to the banking sources privy to the development, the value of Hazel Mercantile's bid is Rs 730 crore, while JSPL has submitted a bid of around Rs 340 crore. The third bidder, GMS of Dubai along with its Turkish partner, Besiktas Shipyard, has offered an up-front cash of Rs 50 crore.
