**INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT ON HALF YEARLY UNAUDITED STANDALONE
FINANCIAL RESULTS OF THE COMPANY PURSUANT TO REGULATION 33 OF THE SEBI (LISTING
OBLIGATIONS AND DISCLOSURES REQUIREMENTS) REGULATIONS, 2015, AS AMENDED**

To,

The Board of Directors of
Transwind Infrastructures Limited
Ahmedabad.

We have reviewed the accompanying statement of unaudited financial results of Transwind Infrastructures Limited for the half year ended 30th September, 2025, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
